Mission Statement: Saint Theresa Catholic School is committed to Catholic faith formation, academic excellence and service in a nurturing Christ-centered environment.

Introducing the Young Women of Grace Program

St. Theresa Catholic School is launching our newest after school program, Young Women of Grace, a focus on mind, body, and Holy Spirit. This program will help young girls realize the gift of their femininity and the beautiful reality of who they are in the eyes of God. For more information, you can visit www.young.womenofgrace.com.

This program, targeted to girls in grades **6th-8th grade**, will teach them what it means to be a daughter of God, to discern their purpose and mission in the world, and to find true fulfillment - without losing their beautiful spirit! It will present vital Catholic teaching in a fun, active, and safe environment. Each lesson will include an inspirational workout, craft or recipe, and scripture reflection.
